PROJECTS & EXPERIENCE

SCDF Website Redesign (Creative Director) *View: tinyurl.com/26r4rr5s*

- Led a 3-month redesign of SCDF's online platform, improving accessibility and user-friendliness.
- Conducted 30 in-depth user interviews to uncover critical pain points and inform design improvements.
- Presented interactive prototypes with user-centric solutions to SCDF's internal tech team and GovTech

Insidr Prototype UI/UX Web Application *View: tinyurl.com/28bokqgj*

- Developed an AI-driven networking platform prototype in a 4-week pair project, enhancing job search and professional discussions for tertiary students and fresh graduates.
- Pitched to Meraki Academy's CEO, earning recognition as one of the top two finalists out of 19 teams and securing an exclusive, fully sponsored mentorship for the project's impactful design.

Directions Group Inc. (Public Relations Marketing Internship) *March - July 2023*

- Assisted in managing PR and media execution for 6+ luxury brands, drafting 12+ press releases and 38+ e-mailers, effectively adapting to each brand's unique tone and messaging while monitoring media coverage.
- Coordinated media samples and collaborated cross-functionally with creative teams, adapting to trends in a fast-paced, multi-client environment.

TECHNICAL SKILLS

Programming Languages: Python, Java, SQL
AI & Web Tools: JavaScript, Rasa, TensorFlow, Keras
Design: Figma, Photoshop, Illustrator, XD
Data Analysis: Matplotlib, Seaborn
